ADVERTORIAL

Which Craft have launched a brand new website! Take a look online now where you will find a huge selection of products including stamps, papers and more. Also don't forget tickets are now available for Stamp Magic which will be on June 5th 2016. Simply visit www.whichcraftuk.co.uk for more information.

Create your very own personalised stamp for your hand-crafted wedding invitations simply by visiting stampsdirect.biz.

Upload your text or design and Stamps Direct will create a special stamp and deliver it straight to your door. You can also seal your special invitation with a unique wax seal for that extra special look. Don't forget to use **PAPER20** to receive **20% discount off** until 30th June 2016.

This issue's free gift is a bright pink scoring board that will certainly stand out in your stash. One side features regular score lines at 0.5cm intervals, while the other side features special labelled lines that will help you create gatefold cards and other decorative shapes in seconds.

The Mulberry Bush have just launched a NEW website. If you are looking for inspiration for your wedding invitations or stationery look no further The Mulberry Bush has a huge array of materials perfect for this very special occasion. It doesn't stop there take a look at their wide selection of craft basics, dies, paints and more. Simply visit www.themulberry-bush.com or call 01635 860900.

The new **PaperCrafter** website makes it even easier to find free cardmaking projects, exclusive printables and exciting competitions. Head to the brand new blog to read our latest posts, including deputy editor Rosalind Moody's round-up of 11 amazing papers that have blown her mind. The site is also packed with free project instructions from the UK's top paper crafter designers that you can follow to make fantastic cards, presents and decorations for your home.

Our giveaways are now much simpler to enter - just fill in your name and email address for your chance to win a fabulous crafty prize. Another great resource you'll find on the new site is our downloads section.

Click on it to get exclusive designer papers and templates that you can save and print time and time again. We've also gathered together all our favourite papercraft video tutorials in one easy place.
