# INSPIRED BY NATURE

Quality clothing, products and homeware made from natural materials

## EARTH KIND ORIGINALS

A proudly British brand, EKO have created this luxury range of organic clothing and feel-good gifts, taking inspiration from their home on the Cornish coast and the surrounding natural environment. Their soft, effortless pieces made from 100% organic cotton, eucalyptus jersey and super-soft Merino wool, work brilliantly on their own or layered together. They're the perfect choice to take you into the new season – and totally guilt-free too.
